AI Director | AI Content Creator | AI Video Creator

Cairo, Egypt | 01108133798 | umahmoud275@gmail.com | portfolio-mahsaeid.vercel.app

PROFESSIONAL SUMMARY

AI-focused creative professional specializing in AI-generated video, product advertising, visual storytelling, and generative content production. Experienced in developing cinematic commercial concepts, writing production-ready prompts, directing AI-generated scenes, and combining generative visuals with editing and motion graphics. Strong focus on product consistency, brand identity, creative direction, and social-first content. Targeting AI Director and AI Creative leadership opportunities.

PROFESSIONAL EXPERIENCE

AI Video Creator — Milano Pharma

2025 – Present | Pharmaceutical & Cosmetics Marketing

- Create AI-powered product advertisements, promotional videos, and social media content for pharmaceutical and cosmetic brands.
- Develop creative concepts, scripts, visual treatments, shot ideas, and production prompts for AI video campaigns.
- Direct AI-generated product scenes with a strong focus on realistic product appearance, packaging accuracy, composition, and brand consistency.
- Use generative AI tools to produce cinematic video and image assets for product launches, campaigns, presentations, and digital marketing.
- Build end-to-end content workflows from creative concept and prompt development through AI generation, editing, motion graphics, and final delivery.
- Develop voice-over direction, dialogue, visual storytelling, and social-first creative formats for advertising campaigns.
